SPF Bill Capo, Career Counselor for the PA National Guard, Honesdale, is planning a rally in Bingham Park on Saturday, September 8th, honoring the 6th anniversary of 9/11. This rally is also honoring our heroes, both fallen, injured, and currently on the job. This is to include Firemen, Policemen, EMT's, Doctors, Politicians, Volunteers, and Military members. The rally will start with a moment of silence at the exact time of the first plan, followed by the introduction of Mayor Ann Morgan and the Hawley Borough Council members. There will be local bands involved and SPF Capo plans to involve High School Marching Bands to perform along with dance drill team's choruses. Although this is still in the early planning stages, SPF Capo has requested two climbing walls, the PA-ARNG Keystone Cruiser (dressed up HUMVEE) and the PA-ARNG Video Trailer to be on hand. Ideas also include guest speakers with fundraising efforts incorporated, as well as bake sales, raffles, prizes, food concessions, and fun for the whole family. Additional suggestions and ideas are welcomed, and more information will follow through this newsletter and press releases. Mark the date and plan to attend!!
